Did you know that 70% of first aid is performed on a family member?

Telephone
(07) 3245 3452

Would you...
know how to act in an emergency and possibly save a life

First aid training will give you that confidence...

Duration:
1 or 2 days a week
(based on your needs)

Courses Available:

2 day (15 hours) Apply First Aid – Recommended for people that have not completed First Aid Training in the past and/or people that perform better in a class environment.

1 Day (7 hours) Online Option Apply First Aid - For people that are time poor and/or have completed first aid training in the past, this unit provides everything that a 2 day course offers but the theory part of the course will be completed on line, then you will come in for 1 day of practical training.

CPR (3 hours) - This unit of competency describes the skills and knowledge required to provide CPR until the arrival of medical or other assistance. This course is suitable for those students requiring workplace first aid skills.

What you get:

All participants gain an Apply First Aid certificate and a First Aid manual included in the course fee.

What participants have said:

"Horizon's Apply First Aid training is so flexible and the smaller class sizes meant more effective training. It really suited my needs"
