

Want a Career in Disability?

Fully Funded

Certificate III in Disability

Do you want the opportunity to gain employment in a Skills Shortage Industry and be an invaluable part of someone's life? The **Certificate III in Disability** designed for anyone interested in becoming a **Disability Support Worker, Community Care Worker or Personal Care Assistant**. Do you have a genuine desire to work with and empower people with disabilities? The **Certificate III in Disability Work** offers you a formal qualification, the knowledge and skills required to provide support services to people with disabilities.

Start your Certificate III in Disability Work with Horizon Specialised Training!

What will you learn?

The **Certificate III in Disability Work** will provide you with practical training to enable you to work across many facets of disability support work and personal care. Your training will include: working effectively with people living with disabilities; identifying and meeting individual needs as well as delivering disability care services that support and enhance the independence of people with disabilities.

Horizon Foundation Inc. has worked with people with disabilities in the Redlands and South East corridor for thirty years. The experience you gain from this course will give you the tools to respond to difficult or challenging situations in the health care industry. Additionally, you will learn how to: support the individual's health and emotional wellbeing; support people with disabilities who are ageing; provide support to meet personal care needs and work effectively in the community. Training will include 10 weeks of training plus 100 hours of vocational placement.
